GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is sovereign and speedy

cure for incipient consumption, barrenness, leucorrhea, or whites, obstructed or difficult menstruation, incon-

nence of urine, or involuntary discharge thereof, and

or the general prostration of the system-no matter

whether the result of the inherent causes, or produced

by irregularity, illness or accident.

Nothing can be more surprising than its invigorating

effects upon the human frame. Persons all weakness

and lassitude before taking it, at once become robust and full of energy under its influence. It immediately

counteracts the nervelessness of the female frame,
